- 2 Development criteria described in the density bonus points manual, when met, shall allow increases in
- 3 development intensity based upon the limits in this section. These increases in intensity shall be allowed
- 4 should a developer propose to undertake a project that will result in a development sensitive to the
- 5 unique environmental and developmental needs of the area. For each criterion met by the developer,
- 6 certain points shall be credited to the project. Those points, calculated in accordance with the Density
- 7 Bonus Points Manual, shall determine the maximum allowable density.
