SURVEYORS NOTES:
1. Bearings shown hereon are grid, NAD83 Florida State Plane, North Zone, US Foot based on Global Positioning System observations.
2. If no difference is shown, the deed/plat call bearings and distances are the same as measured.
3. There may be other restrictions of record not shown on this plat that may be found in the Public Records of Dixie County, Florida.
4. The hereon signed surveyor has not been provided a current title opinion or abstract of matter affecting title or boundary to the subject property. It is possible there are deeds of record, unrecorded deeds, easements or other instruments which could effect the boundaries.
5. Underground improvements, utilities, interior fences and other improvements were not located except as shown.
6. Unless it bears the signature and raised seal of a Florida Licensed Surveyor and Mapper this map/report is for informational purposes only and is not valid. This drawing or map is not intended or represented to be suitable for reuse by the client or others on extension of the project or on any other project. Any reuse without written verification for the specific purpose intended will be at the user's sole risk and without liability or legal exposure to Delta Professional Land Services, LLC.
7. This survey is based on a closed and balanced traverse in which the closure meets or exceeds the criteria as outlined in Florida Administrative Code section SJ-17.
8. This drawing is intended to be printed at a scale of 1 inch = 80 feet on 24 inch by 36 inch paper.
9. Fence locations shown hereon (if any) are located at the corners or ends only unless otherwise specified. Fencing may meander along property lines.
